Execution Version

SETTLEMENT AGREEMENT BY AND BETWEEN HOLLISTER CONSTRUCTION SERVICES, LLC, FAIRLEIGH DICKINSON UNIVERSITY AND CERTAIN SUBCONTRACTORS

This Settlement Agreement (the "Agreement") is entered into as of December 24, 2019, by and between Hollister Construction Services, LLC, as project manager (the "Debtor"); Fairleigh Dickinson University, as Owner ("Owner"); and each of the subcontractors identified on Exhibits A through H hereto (the "Subcontractors") (each a "Party," and collectively, the "Parties").

WHEREAS, Debtor and Owner are parties to certain contract documents dated as of August 1, 2014 and amended June 26, 2017 and May 14, 2019, including, without limitation, a Construction Contract Agreement, and all exhibits annexed thereto, and all subsequent riders, amendments, modifications, and change orders (collectively, the "Contracts"),¹ whereby Hollister agreed to provide project management services, including staffing, preconstruction and construction services, to Owner relating to various construction and renovation projects located on the Fairleigh Dickinson University Florham and Metropolitan campuses (collectively, the "Projects" and each a "Project"); and

WHEREAS, on September 11, 2019 ("Petition Date"), the Debtor filed a voluntary petition under Chapter 11, Title 11 of the United States Code (the "Bankruptcy Code"), in the United States Bankruptcy Court for the District of New Jersey (the "Bankruptcy Court"), Case No. 19-27439 (MBK); and

WHEREAS, Owner believes it has a right to terminate the Contracts for cause and otherwise asserts that the Debtor has defaulted on the Contracts; and

¹ Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Contracts.

WHEREAS, the Subcontractors provided goods and/or services to the Debtor in connection with the Projects prior to the Petition Date and are owed money as of the Petition Date in the amounts set forth on Exhibits A through H hereto; and

WHEREAS, two Subcontractors, Latz, Inc. and Sparwick Contracting, Inc. filed pre-petition liens against Owner's property in the amount of \$140,308.78 and \$305,732.91, respectively; and

WHEREAS, two Subcontractors, Bay Crane Service of New Jersey Inc. and Cardella Trucking Co., Inc., filed post-petition liens against Owner's property in the amount of \$84,060 and \$3,845.40, respectively; and

WHEREAS, PNC Bank, N.A. ("PNC") is the Debtor's primary secured creditor and asserts liens upon and security interests in all assets of the Debtor, including all accounts receivable and all contracts of the Debtor; and

WHEREAS, if the Contracts were terminated, the Debtor may lose a substantial amount of contract revenue and retainage related to the Projects; and

WHEREAS, Owner may suffer damages attendant with delay and completion costs due if Owner exercised its rights to terminate the Contracts and if the Projects are not completed in a timely manner; and

WHEREAS, the Parties are desirous of finishing the Projects identified on Exhibits A through H (the "Go-Forward Projects") forthwith in accordance with the terms of the Contracts, as modified herein, and it is in the best interests of the Debtor, its estate and creditors to complete the Go-Forward Projects as soon as possible and with as little delay as possible; and

WHEREAS, the Debtor and the Owner have also agreed to terminate certain other Projects as set forth on Exhibit I hereto (collectively, the "Terminated Projects"), with Debtor to reject any and all contracts and unexpired leases that relate to the Terminated Projects, with rejection

effective as of the Petition Date and Owner to pay all accounts receivable due on the Terminated Projects as set forth on Exhibit J in accordance with this Agreement; and

WHEREAS, the Debtor and the Owner have also agreed on the amount of outstanding accounts receivable owed to the Debtor on projects that have been completed as set forth on Exhibit J hereto (collectively, the "Terminated/Completed Projects A/R"), with Owner to pay the Terminated/Completed Projects A/R in accordance with this Agreement;

NOW, THEREFORE, subject to Bankruptcy Court approval, the Parties stipulate and agree as follows:

1. Effective Date. This Agreement shall become effective as of the date an Order is entered by the Bankruptcy Court approving the Agreement.

2. Acknowledgement of Contract Amounts. The Parties acknowledge and agree that: (a) \$939,118.31 is due and payable to the Debtor for work performed under the Contracts as of September 11, 2019 ("Pre-Petition Work"), (b) the Owner is currently holding as security under the Contracts an additional \$222,770.36 as retainage ("Pre-Petition Retainage") which will be due to the Debtor upon completion of the Go-Forward Projects and Contracts, as modified herein, and delivery to Owner of all lien waivers from all Subcontractors, (c) there is \$853,909.46 of incomplete work which costs will be due and payable if the Go-Forward Projects are completed by the Debtor ("Post-Petition Work"), and (d) there will be \$0 of additional retainage held for Post-Petition Work ("Post-Petition Retainage").

3. Acknowledgement of Defaults. The Parties acknowledge and agree that (a) Owner asserts that the Debtor is presently in default under the Contracts and that Owner has the right to seek to terminate the Contracts, (b) if the Contracts were terminated as a result of Debtor's alleged defaults, the Debtor would suffer an economic loss, and (c) Owner will suffer additional damages in the event it is forced to terminate the Contracts and replace the Debtor, including, without

limitation, the costs of a replacement contractor and additional attendant delay, which costs could reduce or exhaust any remaining amounts claimed to be presently due to the Debtor under the Contracts.

4. Modification of the Contracts. In order to avoid the damages to the Debtor and Owner described above, and subject to Bankruptcy Court approval, the Debtor agrees to perform its obligations under the Contracts as modified herein on the Go-Forward Projects. Approval of this Agreement by the Bankruptcy Court shall be deemed approval of the Contracts as modified herein². The Parties agree that the Go-Forward Projects shall be restarted as soon as reasonably practicable after approval of this Agreement by the Bankruptcy Court. The Parties agree that the Go-Forward Projects shall be completed, including all necessary final certificates of occupancy, no later than forty-five (45) days from the date of remobilization (the "Go-Forward Project End Date"). Unless otherwise agreed by Owner, the remobilization date shall occur no later than ten (10) business days following approval of this Agreement by the Bankruptcy Court.

5. Waiver of Defaults and Delay Claims by Owner. Upon entry of an Order of the Bankruptcy Court approving this Agreement, Owner waives any defaults or other monetary claims for delay existing as of the date of Owner's execution of this Agreement, without prejudice to any other rights and remedies of the Owner under the Contracts for the Go-Forward Projects as modified by this Agreement which may arise from and after Owner's execution of this Agreement.

6. Default. Notice of any default under this Agreement or the Contracts for the Go-Forward Projects shall be provided to the Debtor and its counsel of record in writing and shall provide for a fifteen (15) business day right of cure. Notwithstanding anything to the contrary herein, in the event that a properly noticed default is not cured within such fifteen (15) business

² Approval of the Contracts for the Go-Forward Projects is not the assumption of those Contracts under Section 365 of the Bankruptcy Code.

day cure period or except as otherwise agreed to between the Parties, Owner may exercise its rights under this Agreement and the specific Go-Forward Project, including without limitation, issuing a notice of termination of the specific Contract for the Go-Forward Project at issue. Conversion of the Debtor's bankruptcy case to one under Chapter 7 shall be considered an event of default.

7. Project Escrow Account. Prior to the execution of this Agreement, the Debtor shall establish an escrow account with PNC ("Escrow Account") administered by an independent funds control agent pursuant to a separate Escrow Agreement with PNC. Owner shall not be responsible for any fees and/or costs associated with the establishment and administration of the Escrow Account. All funds deposited into the Escrow Account will be subject to PNC's existing liens on cash collateral of the Debtor, except as set forth in the Escrow Agreement and/or the Current Cash Collateral Order (as that term is defined herein), and all funds paid pursuant to this Agreement or under the Contracts shall be paid through the Escrow Account.

8. Payment to Subcontractors for Work Performed or Goods Provided After the Petition Date ("Post-Petition Work"). Post-Petition Work and Post-Petition Retainage shall be paid pursuant to the Contracts in the ordinary course of business without any discount or reduction due to Debtor's bankruptcy. Notwithstanding anything to the contrary in the Contracts or herein, the Debtor will continue to supervise its Subcontractors on the Go-Forward Projects through completion of same and perform all other work required under the Contracts for the Go-Forward Projects. The Debtor authorizes Owner to pay the Subcontractors through the Escrow Account the amounts due to them for services and/or goods provided after the Petition Date as necessary to complete the Go-Forward Projects in the ordinary course of work and upon submission by the Subcontractors of all normal and customary documentation to the Debtor and/or Owner. The Debtor shall obtain either a temporary or final certificate of occupancy for each of the Go-Forward Projects only as required under the Contracts for the Go-Forward Projects. All such payments to

the Subcontractors shall be subject to prior approval of the Debtor, which approval shall not be unreasonably withheld or delayed. Amounts held as Post-Petition Retainage shall be held by Owner and released through the Escrow Account pursuant to the Contracts for the Go-Forward Projects in the regular course of business. Should the Debtor be unable to compel any Subcontractors to timely perform and complete their work on the Go-Forward Projects, the Debtor may substitute subcontractors to perform such work, provided that said substitution does not delay the Go-Forward Project Completion Date and are consistent with the terms of the existing Contracts for Go-Forward Projects with respect to replacement of subcontractors.

9. Mechanism for Payment to Participating Subcontractors for Work Performed or Goods Provided Before the Petition Date ("Pre-Petition Work"). On a Go-Forward Project by Project basis, upon: (a) execution of this Agreement by all of a Go-Forward Project's Subcontractors that are participating in the settlement (the "Participating Subcontractors"), which condition may be jointly waived by the written consent of Owner and the Debtor; (b) the release of all filed and asserted liens on the Owner's real property and any improvements thereon; and (c) five (5) business days after the entry of an Order (the "Approval Order") of the Bankruptcy Court approving of this Agreement, Owner will deposit into the Escrow Account an amount representing the sum of 25% of the total amount due for the Pre-Petition Work as set forth in paragraph 2(a) herein (the "Initial Payment") and shall make additional payments directly to certain critical subcontractors, which additional payments are in addition to and shall not affect any payments due and owing from Owner to the Debtor. Within seven (7) business days from receipt of the Initial Payment, the escrow agent shall release 40% of the amount attributable to the Participating Subcontractors on the Go-Forward Projects from the Initial Payment in the amounts set forth on each of Exhibits A through H hereto, on account of their respective prepetition claims. The remaining balance from the Initial Payment shall only be disbursed in accordance with the cash

collateral order then in effect (as the case may be, the "Current Cash Collateral Order") or, if no Current Cash Collateral Order is then in effect, upon entry of a final order relating to disposition of such balance by of the Bankruptcy Court. Within fifteen (15) business days of the entry of the Approval Order, Owner will deposit into the Escrow Account an amount representing the sum of 75% of the total amount due for the Pre-Petition Work as set forth in paragraph 2(a) (the "Additional Payment"). Within seven (7) business days of completion of any given Go-Forward Project and the Participating Subcontractors on that given Go-Forward Project providing all required closeout documentation, the escrow agent shall release up to 40% of the amount attributable to the Participating Subcontractors for that Go-Forward Project from the Additional Payment in the amounts set forth in Exhibits A through H hereto, for application to the balance, if any, due to each Participating Subcontractor on account of its prepetition claim. Said money will be paid directly to the individual Participating Subcontractors from the Escrow Account in the amounts set forth on Exhibits A through H. The Participating Subcontractors will release all filed and asserted liens on Owner's real property and any improvements thereon within five (5) business days of the entry of the Approval Order. The remaining balance from the Additional Payment shall only be disbursed in accordance with the Current Cash Collateral Order or, if no Current Cash Collateral Order is then in effect, upon entry of a final order relating to disposition of such balance by of the Bankruptcy Court.

10. Mechanism for Retainage Payment to Subcontractors for Work Performed or Goods Provided Before the Petition Date. On a Go-Forward Project by Project basis, Pre-Petition Retainage shall be paid by the Owner, when due under the Contracts, in such amounts held against Subcontractors as set forth in paragraph 2(b) above³. The Debtor shall pay through the Escrow

³ Owner and Debtor agree that Pre-Petition Retainage and Post-Petition Retainage on the Pedestrian Bridge Project will be paid to Participating Subcontractors on that Project

Account, 40% to the Subcontractors pursuant to Exhibits A through H, for application to the balance, if any, due to each Subcontractor on account of its prepetition claim. The remaining balance from the Pre-Petition Retainage shall only be disbursed in accordance with the Current Cash Collateral Order or, if no Current Cash Collateral Order is then in effect, upon entry of a final order relating to disposition of such balance by of the Bankruptcy Court.

11. Subcontractor Release and Unsecured Claim. By executing this Agreement, the Subcontractors agree to perform all remaining work on the Go-Forward Projects on a go forward basis as set forth herein, and specifically agree to a 60% discount on the amount of receivable, including retainage, due to them for goods and/or services provided on Owner's Go-Forward Projects prior to the Petition Date. Upon the Subcontractor's receipt of the payments required hereunder, the Subcontractor waives and releases any right to assert any claim (as defined in section 101(5) of the Bankruptcy Code) against Owner and the Go-Forward Projects for this 60% amount, and agrees to accept in full and final satisfaction of its claim for goods and/or services prior to the Petition Date the 40% placed in escrow as provided for above. For the avoidance of doubt, the Subcontractor will be allowed a general unsecured claim (as defined in section 101(5) of the Bankruptcy Code) against the Debtor and its estate for the 60% amount.

12. Release of Preferences. Upon payment of all monies due pursuant to this Agreement and the release of all liens by Subcontractors, the Debtor and its estate hereby waives and releases any cause of action it has or may have against the Subcontractors to commence and

upon completion of a Participating Subcontractor's completion of work on the Pedestrian Bridge Project, submission of all required documentation by Participating Subcontractor to Owner and Debtor, acceptance of such documentation by Owner and Debtor, and approval by Owner for release of Pre-Petition Retainage and Post-Petition Retainage for the Pedestrian Bridge Project from the Escrow Account.

seek to avoid any alleged preference payments under sections 547 and 550 of the Bankruptcy Code arising out of or related to the Projects.

13. Payment Due to Debtor. Owner shall pay all amounts for Pre-Petition Work due to the Debtor under this Agreement and the Contracts, inclusive of retainage, into the Escrow Account through the funding of the Initial Payment and the Additional Payment as set forth in Article 8. Owner shall pay all amounts for Pre-Petition Retainage, into the Escrow Account in the regular course of business pursuant to the Contracts as set forth in Article 9. Owner shall pay all amounts for Post-Petition Work due to the Debtor under this Agreement and the Contracts, inclusive of retainage, into the Escrow Account in the regular course of business pursuant to the Contracts in accordance with Article 7. These funds in the Escrow Account shall only be disbursed in accordance with Cash Collateral Orders entered by the Bankruptcy Court or a further Order of the Bankruptcy Court. In addition to the foregoing payments, Owner shall pay all amounts due to the Debtor for the Terminated/Completed Project A/R as set forth on Exhibit J hereto within fifteen (15) days of entry of the Approval Order.

14. Interest. The Parties expressly agree that no payments withheld or other amounts currently unpaid by Owner are deemed to be past due and no such amounts are subject to any rate of interest, including any interest that would be required pursuant to the Contracts or the New Jersey Prompt Payment Act, N.J.S.A. 2A:30A-1, 2A:30A-2.

15. Releases.

(a) Release by Owner. Upon payment of all monies due pursuant to this Agreement, the Owner and its parent, subsidiaries, divisions and affiliates, and the officers, directors, partners, members, and managers and their respective predecessors, successors and assigns (collectively, the "Owner Releasors") do hereby release and forever discharge the Debtor and its officers, directors, partners, members, and managers and their respective predecessors,

successors and assigns (collectively, the “Debtor Released Parties”) of and from any and all claims (as defined in section 101(5) of the Bankruptcy Code), obligations and causes of action, of any nature whatsoever, whether known or unknown, asserted or unasserted, fixed or contingent, which the Owner Releasors, or any of them, ever had or now has against any one or more of the Debtor Released Parties, arising out of or related to the Contracts or the Projects.

(c). Release by Subcontractors. Upon receipt of payment of all monies due pursuant to this Agreement, each Subcontractor and its parents, subsidiaries, divisions and affiliates, and the officers, directors, partners, members, and managers and their respective predecessors, successors and assigns (collectively, the “Subcontractor Releasors”) do hereby release and forever discharge Owner and the Debtor and their respective officers, directors, partners, members, and managers and their respective predecessors, successors and assigns (collectively, the “Owner and Debtor Released Parties”) of and from any and all claims (as defined in section 101(5) of the Bankruptcy Code), obligations and causes of action, of any nature whatsoever, whether known or unknown, asserted or unasserted, fixed or contingent, which the

Subcontractor Releasors, or any of them, ever had or now has against any one or more of the Owner and Debtor Released Parties, arising out of or related to the Contracts or the Projects.
